SUMMARY

Passionate Frontend Developer with a knack for creating intuitive and high-performing web applications.

I excel at motivating, mentoring & developing teams of less experienced developers. I have 5+ years of experience and ambitious web design professional seeking an opportunity as a front-end developer. Detail-oriented professional with an associate degree in computer science and proven experience with a web development firm and Ecommerce Group.

EXPERIENCE

Senior Frontend Developer

Ansar Gallery, A&H MARKET

03/2024 - Present Doha, Qatar

Senior front-end web developer for ahmarket.com.

- I was hired to develop the ahmarket website, a leading e-commerce platform in the GCC.
